

of opportunities to assist and lift up your ministry. Our focus is always **“Making Disciples”**. Our desire is to fulfill the Great Commission.

What We Do NOT Offer

When considering our ministry, please keep these things in mind:

- We do **NOT** offer a martial arts extravaganza. We want to impress people with the Salvation message of Jesus Christ, not with the martial arts.
- We do **NOT** push people to join our karate system. We want to build the Kingdom of Heaven, not our student base.

When our team comes, it is for the purpose of bringing glory and honor to Jesus Christ.

How Much Does a Demonstration Cost?

Normally, we will come for a love offering; however, we do ask that you prayerfully consider the costs involved. Some of the things involved include:

- Breaking materials - this can easily add up to \$40 (or more)
- Gas / Transportation
- Food - for longer trips
- Etc.

Warriors of the Sword About Us

The **Warriors of the Sword** is an evangelistic and discipleship ministry that has its roots in the late 1980s. At that time, the Lord birthed an evangelistic martial arts demonstration team. That team traveled for about five years preaching the **Gospel of Jesus Christ** throughout the north-eastern United States and southeast-

ern Canada.

Today, the team is being re-birthed by God and with the help of the **Holy Spirit**, we

are trusting Him to allow us to be involved in disciple making through this vehicle once again.

We are a family oriented ministry with four of our team members from one family (father and sons). We are seeking to add to God's Kingdom through evangelism and to encourage and strengthen God's church through discipleship and teaching.
